

BUSINESS LEADERS FORUM

Dean Allen

President and CEO, McKinstry

Date: February 24, 2009

Time: 7:15 am

We are very excited to have Dean Allen, President and CEO of McKinstry as our speaker this month. Dean has over 30 years experience in the design, construction and real estate industries in the Pacific Northwest. In Dean's role as President and CEO, McKinstry has grown from a local mechanical contractor into a premiere comprehensive design, build, operate, and maintain enterprise in the region with revenues exceeding \$350 million per year and over 1,500 employees.

In addition to extensive service, facility management and construction services operations, McKinstry also leads in the energy and sustainability aspects of the industry, serving energy service clients from eight offices ranging from the Pacific Northwest to Minneapolis, Denver and Texas.

Dean serves on the boards of Seattle Biomedical Research Institute, Global Partnerships, Program for Appropriate Technology in Health (PATH), Seattle Children's, Washington Roundtable and Partnership for Learning. Dean earned degrees in Biochemistry and Psychology from the University of Washington.

I look forward to seeing you on February 24th. Please RSVP to Christina Thimer at 206-343-2323 or via email at cthimer@mcmnw.com.

Sincerely,
John W. Meisenbach
