

## BUSINESS LEADERS FORUM

### *Peter Fewing*

We are very excited to have Peter Fewing as our first speaker for the 2011 Business Leaders series.

I recently had the opportunity to hear Peter speak at a celebratory Make-A-Wish breakfast event. His message was fantastic as he received a standing ovation. I know many of you know or have heard of Peter and I knew you would enjoy hearing his presentation.

From 1988 through 2006, Fewing served with distinction as the head men's soccer coach for Seattle University. In 1997 and 2004, his men's soccer teams won national championships which transformed Seattle University's athletic department.

His 1997 team was the first to ever win a national championship for Seattle University. In both 1997 and 2004, Fewing received national coach of the year honors and produced national players of the year. In 2005, he received Fulcrum Foundation honors for being a champion of Catholic Education.

For the past twenty-nine years, Peter has run the highly popular Peter Fewing Soccer Camp. From 2006-2008, he served as executive director of Seattle Scores, teaching kids that they matter. Peter continues to serve on Seattle Scores board and on the advisory board of the Intercollegiate Athletic Leadership Program at the University of Washington.

Besides being the head coach of the Kitsap Pumas, Fewing works as an announcer for the Seattle Sounders FC and ESPN radio.

I look forward to seeing you on Wednesday, January 19<sup>th</sup>. Please RSVP to Kaila Trout at 206-343-2323 or via email at [ktROUT@mcmnw.com](mailto:ktROUT@mcmnw.com).

Sincerely,  
John W. Meisenbach
